

CRC booking system for clinics:

Payment is required with your application, sent by post to Jackie Russell. Places will be filled on a first come basis once your application is received with payment by cheque (made payable to Chipstead Riding Club). BACS transfer is possible and must be made immediately on request— your application form in the post is still required in order to book in.

You will be sent a confirmation of clinic place or waiting list once your entry is received and times will be confirmed a week before the clinic. If you find you cannot attend after booking, we will do our best to fill your slot from the waiting list, but cannot guarantee this and cannot carry over your fee to another clinic if the slot remains unfilled. .

Please use the form below and post to: Jackie Russell, 32 Chartwell Place, Cheam, Surrey, SM23 9TD.
